Detachable label
that prospects
affix to their
Thermostat

Be the first – and only –
HVAC company in your area
to mail this unique card

- Bold graphics get you noticed in the mailbox
- Peel off label keeps your name in front of homeowners
- Full color printing with a variety of labels to choose from
- Completely customizable with your own offers and information

Acquire Direct Marketing specializes in helping HVAC businesses **dominate** their market. All of our marketing products come with an **exclusive distribution territory**. In a nutshell, when you mail our peel off label postcard – or any of our other proven mailers – **none of your competitors will be able to mail the same piece.**

For more information on available territories, samples and pricing
Call today and ask for Ken Reeves, our HVAC specialist.

**Don't Get
Burned
by High
Heating
Costs this
Winter!**

Your heating system could be burning up your hard-earned cash

A well tuned heating system is your best defense against high heating bills this winter. Even the smallest of problems can cause your system to become inefficient – and cause your heating costs to rise by **as much as 50%**.

We're here to help. **Acme Heating and Air** is family owned and operated and has been taking care of homes and businesses in this area for over 20 years.

Call us today to take advantage of our **21 point Fall Tune up Special** – and we'll make you an **Acme Heating and Air Preferred Customer at no additional charge**. Not only will your system be operating at peak performance, you will have Priority Service if you should ever need us during the coldest months of the year.

Don't Let Your Air Conditioner Eat Your Cold Hard Cash

21 Point Maintenance
\$69⁰⁰ Special
Inspection

Your Air Conditioning System May Be Sending Your Electric Bill Through the Roof!

Often, just a small problem with your system can drive up your electric bill. Small problems, detected in the milder spring months may eliminate problems when your system is working hardest during the hot summer months.

Call today to take advantage of our 21 point Spring Maintenance Inspection and become an Acme Preferred Customer. Not only will your system be operating at peak performance, you will have Priority Service if you should need us during the Hottest months of the year.
